08	Sanctus - St Emillion	Grand Cru	225
10	Chateau Tour du Pin		325

# BORDEAUX

**Generally considered the world's premium Red Wine region**

With a total vineyard area exceeding 250,000 acres (NZ has approx. 85,000 acres) producing over 700 million bottles a year, ranging from everyday table wines to some of the most expensive and prestigious wines in the world. Wine production has been continuous in the region ever since the Romans introduced it about 2000 years ago. In the 17 Hundreds British Négociants (wine merchants) made Britain the biggest market where it became known as "Claret".

In 1855 the Chateaux of Bordeaux were classified at Napoleon's request. At the top of the 6 "Classe's" is the "Premier Grand Cru Classe" or "First Growth" wines from the 5 most prestigious Chateaux.

An excellent growing foundation of limestone leads to a soil structure that is heavy in calcium, together with the Atlantic Climate results in near perfect growing conditions.

Red Bordeaux is made from a blend of up to six permitted grape varieties; Cabernet Sauvignon, Cabernet Franc, Merlot, Petit Verdot, Malbec and Carmenerere.

The wines on the "Left Bank" of the Gironde Estuary are Cabernet Sauvignon predominant and on the "Right Bank" Merlot predominant.

Enjoy
